

Pacific Technical Products
AUTOMATION SOLUTION PROVIDER

Parker Hannifin Automation

Compumotor:	Single & Multi-axis controllers, Stand-alone & PC-Based Rotary & Linear Servo motors, Servo Drives & Drive/Controllers
Daedal:	Linear Servo Motor Table, Screw & Belt Driven Table, Manual Stages, XYZ Robotic Gantry Systems, Multi-axis System Design, Rotary Stages
Actuator:	Electric Rod Cylinders, Belt Driven Actuators, Electric Rodless Actuators
CTC:	Industrial HMI's and PC's, Industrial Monitors, Distributed HMI
Bayside:	Planetary Gear Reducers, Linear Positioning Stage, Single unit Servo Gearmotor, Frameless motors
Trilogy:	Linear Servo Positioners, Ironless & Ironcore Linear Servo motor
SSD:	Variable Frequency Drives, DC Variable Speed Drive, Network capable Inverter Drive Systems, AC/DC Motors
SICK USA	Safety Light Curtains, Safety Laser Scanners (indoors/outdoors), Brake Press safety, Interlock safety switch, Network safety systems Inductive proximity Sensors, Capacitive Proximity Sensor, Photo Electric Proximity Sensor, Bar Code Readers (1D/2D), Vision Systems(2D/3D)
Oriental Motor	AC Induction motors, DC Brushless motors, Stepping motors & Drives, Linear & Rotary Motion Stages, Cooling Fans
Woodhead SST	Cordsets, Field wireable connectors, Network Cards(Devicenet,Ethernet,Profibus, Interbus), Device Gateways
Advantech	Industrial PC's, Touch Panel Computers, Industrial Flat Panel Monitors, Industrial HMIs, Distributed I/O, Industrial Network Switches
OPTO22	Distributed I/O, Programmable Automation Controller, Optically Isolated I/O, Solid State Relays,
Precise Automation	Cartesian Robots, Motion Controllers, Vision Guided Robotic Motion, Scara Robots
NSK Precision	Linear Guides, Profile Rail, Monocarrier Stages, Direct Drive Motors, Ball screws, Roller Guides
Nabtesco	High Performance Reduction Gears & Gearboxes, High Shock-Load Capability
Patlite	Signal & Cube Towers, Rotating Warning Lights, Voice Synthesizers, Signal Horns; Melody, Chime & Alarm Sounds
RFID Inc.	Radio Frequency Identification, Passive & Active Systems, Short & Long Range, Read & Write Capability, Network Capable Readers
ESA Tech	Operator Terminals, Linux Terminals, PC Embedded Platforms, CE Terminals
Empire Magnetics	Submersible, Corrosion Resistant, Cryogenic, Vacuum Rated, RAD-Hardened motors (Servo & Stepper)
